

Covenant Health Knoxville Marathon announces road closures for race routes

Street and lane closures will occur throughout the center city and surrounding areas for the Covenant Health Knoxville Marathon race events, which will be held March 30-31. All roads are expected to be open by 2:30 p.m. Sunday, March 31.

“It’s a good idea to plan your route before you join us for the race events and Health & Fitness Expo,” said Jason Altman, Covenant Health Knoxville Marathon race director. “Give yourself plenty of time for travel and parking and then come enjoy all of the fun and inspiring events lined up for Covenant Health Knoxville Marathon weekend.”

The Clinch Avenue Viaduct serves as the start for all races and will be closed to traffic starting at 2 p.m. Saturday until 2:30 p.m. Sunday. Parking will be prohibited on Clinch Avenue between 11th and 16th streets, and vehicles parked on the street will be towed Saturday evening.

On Saturday, the Covenant Kids Run starts at 5:30 p.m., necessitating closures of 11th Street and World’s Fair Park Drive in front of the former Candy Factory building and Knoxville Museum of Art, and periodic closures of Clinch and White avenues between 11th and 13th streets and a small portion of 13th Street between Clinch and White avenues during the run.

The 5K starts at 7 p.m. on Saturday with closures at Clinch Avenue between World’s Fair Park and 16th Street, portions of Volunteer Boulevard, Peyton Manning Pass, Phillip Fulmer Way and James Agee Street until about 8:30 p.m.

On Sunday morning, the marathon will require staggered road closures from 7:20 a.m. to 2:30 p.m. throughout downtown Knoxville and the following neighborhoods: Fort Sanders, Sequoyah Hills, Fourth & Gill, Parkridge, Island Home and Old Sevier.

Motorists who need to reach Fort Sanders Regional Medical Center and East Tennessee Children’s Hospital on Sunday morning should take Alcoa Highway to the Cumberland Avenue/Kingston Pike exit and enter the Fort Sanders area via 20th Street. Please look for directional signage along this route.

Maps of the courses are available at www.knoxvillemarathon.com.

The details for specific road closures are as follows:

- **World's Fair Park Drive:** Closed from start of race until half-marathon passes from 11th Street, then closure is moved to south of parking lot beside the Knoxville Museum of Art; closed on north end by Fort Kid.
