

## Request for Proposals

### 2019 Community Contribution Program

The Covenant Health Knoxville Marathon has been a success due to the unbelievable support within the community. Each year the Covenant Health Knoxville Marathon (CHKM), the premier event of the Knoxville Track Club, sets aside funds for its community contribution program.

In an effort to support the community and to improve lives through healthy programs, the CHKM Advisory Committee will be accepting proposals for programs seeking funding from the community contribution program.

Projects should represent unique ideas, methods, and approaches that utilize physical fitness activities to:

- Improve quality of life in the community; or
- Promote healthy living practices; or
- Promote healthy eating habits in relation to physical activity; or
- Support current programs promoting physical activity (i.e. supplies, equipment, materials, or other similar items); or
- A combination of any of the above.

#### Eligibility:

- Eligible applicants include non-profits with 501(c)(3) non-profit status that serve Knox County or one of its eight contiguous counties.
- Regional government entities that are considered non-profit.
- Individuals, fundraising events, capital campaigns, endowments, memorials, or event sponsorships will not be considered.
- While not required, special consideration will be given to proposals offering a matching gift opportunity (i.e. applicant has secured funding to match the requested CHKM community contribution funds).
