Covenant Kids Run Mileage Log Book APRIL 5, 2025

You Can Finish a Marathon!

The Covenant Kids Run is a fun, non-competitive event with a big finish at World's Fair Park.

A marathon - 26.2 miles - may sound like a lot, but you probably run or walk two miles a day already while you're going to school, playing, or doing chores. Every time you run, walk, or play for 30 minutes, count it as one mile on your Covenant Kids Run mileage log.

Example:

30 minutes riding your bike = 1 mile

45 minutes of playing kickball = 1 ½ mile

1 hour of sports practice = 2 miles

1 hour of dance rehearsal = 2 miles

Those miles add up!

Log 25.2 miles before race day and join us as we run the last mile from the Sunsphere to the World's Fair Park lawn.
